When You Receive Treatment Outside the United States: Most providers outside the United States will not file a medical claim for you. If that's the case, you'll need to pay the provider in full for your treatment and then file a claim with Aetna Student Health. What you will need to do: STEP 1 - Get an itemized medical bill from the provider-in English, if at all possible-before you leave the country where're in. The bill should include: The full name and address of the provider; the date that services were provided; A detailed listing with separate charges for each service provided;A notation that you paid the bill in full (This is very important to send any payment to you, not to the provider); STEP 2 - Send Aetna Student Health a copy of the bill along with the original itemized bill. It is especially important that the student's sponsor inform Aetna of the bill, if there is a delay in sending the bill, please contact us so we can help expedite the process. If you cannot get an itemized bill, call the doctor's office and ask them to fax a statement of services if necessary. Mail the bill to: Aetna Student Health Claims Administrators, Inc. P. O.
